Acknowledgement

It is difficult to express all that we feel as words are such that they do not do adequate justice for the feelings one has, but silent feelings cannot be expressed if they are not given the shape in the form of words. Therefore we wish to grab the opportunity to record our feelings, sentiments and appreciation. First of all, deep acknowledgement to the almighty for his mercy and bouquets of blessings for presenting us with the opportunity which we could utilize to reach the summit, to amidst the gentle, helpful and virtuous people.

We are proud to work under the sterling pupilage of an accomplished academician D.D. Dhokate , our guide and Professor at Department of Information Technology in Padmabooshan Vasantraodada Patil Institute Of Technology Budhgoan , Sangli. Her personal advice, professional acumen, encouragement and dynamic approach have taught us values of adapting ourselves to the different situations. Her innovative ideas helped us surmount all the obstacle s that came in the way. In addition to his confident attitude and dedicated involvement at all phases of the project work, his clarity of thought combined with his research experience, created unique learning environment in which working and learning have been privilege and a joy. We feel overwhelmed, while expressing my reverence and gratitude to our respected teachers.

We are grateful to Prof. B. S. Patil (Head of Department) for his esteemed guidance, constructive criticism, incensement inspiration and constant encouragement during our project work. We would also like to thank our Principal Dr. Satishchandra Joshi and our collage for providing us with a platform to excel in life.

We express our special thanks to our parents for their unconditional love, support and blessings. We have been fortunate to have some of the really affectionate, adorable person who have been encouraging us at every critical step of our life.
